Dear Researcher,

The SAIC-Frederick Core Laboratories at the National Cancer Institute at Frederick, Maryland were established to provide investigators with specialized support and technologies to meet the challenges of today's biomedical research efforts. These programs comprise a broad spectrum of highly integrated advanced technologies, including genomics, proteomics, metabolomics, imaging, protein expression, and histopathology.

Aside from the technology itself, the resources available to you in our *Work For Others Program* for non-Federal Government organizations include the opportunity to partner with the biomedical research scientists on our staff. They are engaged daily in everything from routine laboratory processes to complex experimental design and interpretation of results. Our scientists have already enabled many NIH investigators to extend their inquiries to depths and in directions perhaps otherwise inaccessible.

### Areas of Support

- Genomics—genotyping and sequencing
- Microarray printing and scanning
- Proteomics and metabolomics
- Imaging—confocal and electron microscopy
- Protein expression—expression clone construction; eukaryotic and prokaryotic cell production for protein expression; cell-free protein expression
- Phenotypical evaluation of genetically engineered mice
- Histopathologic evaluations
- Laser capture microdissection

### Other Services

- Mass spectrometry
- NMR spectroscopy
- Protein identification and purification
- Real-time PCR
- mRNA characterization
- Molecular binding—BIAcore® surface plasmon resonance and fluorescence anisotropy
- Recombinant adenovirus and lentivirus production
- Hematology and blood chemistry
- Embryology

Our *Work For Others Program* is structured in accordance with federal policy that governs the NCI-Frederick's Federally Funded Research and Development Center status. The enclosed NCI-Frederick's *Work For Others* information package consisting of an overview of the process, Description of Work Questionnaire, *Work For Others* process flowchart, and the Terms and Conditions of the *Work For Others* Agreement will assist you in understanding the steps required to process your request for services.

Please do not hesitate to contact me for further information. It is a pleasure to serve you.

## **Work For Others – Requesting SAIC-Frederick Services**

### **Process Description**

**SAIC-Frederick, Inc.** is the **Operations and Technical Support Contractor** to the **National Cancer Institute at Frederick (NCI-Frederick)**, Maryland. NCI-Frederick is a Federally Funded Research and Development Center (FFRDC), and as such, SAIC-Frederick, Inc. may not accept work from other than the National Cancer Institute (primary sponsor), unless approved by the NCI Contracting Officer.

**Overview** - Effective October 01, 2005, the NCI authorized SAIC-Frederick, Inc. to execute and administer a Work for Others (WFO) program. This authorization allows SAIC-Frederick, Inc. to provide private industry, state governments, local governments, colleges, universities, nonprofit, not for profit, foreign companies and foreign governments, (hereinafter, individually and collectively referred to as "Requestor"), access to highly specialized or unique technical expertise, services, and facilities not available in the domestic private or non-federal public sector as authorized by FAR 35.017.

**Contract** - WFO is a bilateral contract between the Requestor and SAIC-Frederick, Inc. to perform a defined scope of work in return for payment. In order to assure compliance with applicable laws, regulations, policies and directives, SAIC-Frederick, Inc. has prescribed the terms and conditions under which the work can be performed, and these are set forth in the enclosed Terms and Conditions of the WFO Agreement. SAIC-Frederick, Inc. does not consider the WFO to be a subcontract and other federal agency flow down contract provisions, if any, will not apply.

**Preliminary Discussions** - Requests for services are generally initiated between technical representatives of the Requestor and SAIC-Frederick, Inc. During this initial contact, a draft statement of work and preliminary estimate of the SAIC-Frederick, Inc. cost is developed to meet the Requestor's preliminary requirements. While these early discussions with SAIC-Frederick, Inc. are important in meeting the decision-making needs of the Requestor, they are preliminary in nature. There is no authorization to move forward.

**Pricing Policy** - It is SAIC-Frederick, Inc.'s policy to establish prices and charges for materials and services provided to Non-Federal Government entities at SAIC-Frederick's full cost. SAIC-Frederick's cost estimate will not include detailed cost and pricing data.

**Requestor Submits Request** - To initiate the WFO, the Requestor submits a letter to SAIC-Frederick, Inc.

1. *requesting the services or materials;*
2. *identifying the unique capabilities or special expertise of SAIC-Frederick, Inc. that are not available in the domestic private sector, stating how this was determined and attesting that SAIC-Frederick, Inc. will not be in competition with the domestic private or non-federal sector as a result of providing the services or materials;*
3. *requesting to incrementally fund the agreement, if applicable;*
4. *enclosing the completed and signed Description of Work Questionnaire*

## **11.0 DISPUTES**

It is the intent of the parties that any disputes arising under this Agreement be resolved expeditiously, amicably, and at the level within each Party's organization that is most knowledgeable about the relevant issues. The Parties understand and agree that the procedures outlined in this Section are not intended to supplant the routine handling of inquiries and complaints through informal contact of the Parties. Accordingly, for purposes of the procedures set forth in this Section, a "dispute" is a disagreement that the Parties have been unable to resolve by the normal and routine channels ordinarily used for resolving problems. Pending the final disposition of a dispute, other than a dispute arising out of a Change as defined in Article 3 above, the Parties shall at all times, proceed diligently with the performance of this Agreement. The Parties agree to follow the procedures set forth below with regard to settling disputes arising out of this Agreement:

- (a) The complaining Party will notify the other Party in writing of the reasons for the dispute, and the Parties will work together to resolve the matter as expeditiously as possible. A formal written response will not be required, but the responding Party may put its position in writing in order to clarify the issues or suggest possible solutions.
- (b) If the dispute remains unresolved fifteen (15) days after the delivery of the complaining Party's written notice, a senior representative of each Party (authorized to resolve the dispute) shall meet to participate in a telephone conference call within ten (10) business days of a request for the meeting or conference call by either Party to resolve the dispute.
- (c) If the Parties are unable to reach a resolution of the dispute after following these procedures, or if either Party fails to participate when requested, then it is agreed that the dispute shall be resolved by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The arbitration shall take place in the County of Frederick, State of Maryland. The arbitrator(s) shall be bound to follow the provisions of this Agreement in resolving the Dispute, and may not award punitive damages or any damages excluded by this Agreement. It is agreed that all documentary submissions, presentations, and proceedings shall be in the English language. The decision of the arbitrator(s) shall be final and binding on the parties, and any award of the arbitrator(s) may be entered or enforced in any court of competent jurisdiction.

The Parties hereby waive any immunity, sovereign or otherwise, that would otherwise have to such jurisdiction and agree that all rights, obligations, and liabilities hereunder shall be determined in the same manner and to the same extent as those of a private litigant under like circumstances.

All costs of the arbitration shall be shared equally between the Parties, but the Parties specifically agree that each Party shall bear the expense of any costs incurred by it for its own counsel, experts, witnesses, preparation of documents, presentations, and logistics related to the proceedings.

## **12.0 FORCE MAJEURE**

Neither party shall be liable for any failure of or delay in performance of its obligations under this Agreement to the extent such failure or delay is due to circumstances beyond its reasonable control, including, without limitation, acts of God, acts of a public enemy, terrorism, fires, floods, wars, civil disturbances, sabotage, accidents, insurrections, blockades, embargoes, storms, explosions, labor disputes (whether or not the employees' demands are reasonable and/or within the party's power to satisfy), acts of any governmental body, failure or delay of third parties or governmental bodies from

whom a party is obtaining or must obtain approvals, authorizations, licenses, franchises or permits, or inability to obtain labor, materials, power, equipment, or transportation (collectively referred to herein as "Force Majeure event"). Each party shall use its reasonable efforts to minimize the duration and consequences of any failure of or delay in performance resulting from a Force Majeure event.

If a Force Majeure event occurs, the suffering Party must immediately give notice to the other Party which includes a description of the event and the estimated impact on timely performance of the work affected. The Party injured by the suffering Party's inability to perform (the "injured Party") may elect to: (i) extend the performance period up to the length of time the Force Majeure Event exists or (ii) terminate this Agreement or any part of the material and/or services not already received and procure the material and/or services elsewhere.

Unless the injured Party provides written notice of termination to the suffering Party within thirty (30) days after being notified of the Force Majeure Event as per the immediately preceding paragraph then option (i) shall be deemed selected.

### **13.0 ASSIGNMENT**

This Agreement shall not be assigned or otherwise transferred by either Party without the prior written consent of other Party. In the event the Prime Contract of SAIC Frederick, Inc. with the Government is succeeded by a successor Requestor selected by the Government, this Agreement may be assigned to the successor Requestor.

### **14.0 COMPLIANCE WITH LAWS**

The Parties hereto represent and warrant that this Agreement and its performance do not violate any law, regulation or policy of the United States. Either Party hereto shall be relieved of its obligations to perform under this Agreement to the extent such performance would violate any law, regulation or policy of the United States. When performing any work or services under this Agreement, each Party shall comply with all institutional, local, state, and national safety, health, and security regulations, and laws.

Both Parties shall comply with all applicable laws, rules, regulations and public policies ("Laws") that prohibit unethical conduct regarding the obtaining, retention or conduct of business or an unfair advantage. Both Parties acknowledge and agree that they shall not directly or indirectly give, offer, promise, authorize, or allow to be given, offered, or promised, anything of value to an official or employee of any government, state-owned enterprise, international organization including subdivisions thereof or entities acting on behalf of a government, state-owned enterprise, international organization or subdivision thereof (any such employee or official referred to collectively as "Official"), while knowing or having reason to know that such thing of value is to be given, offered, or promised to an Official (including political parties or officials thereof or candidates for foreign office) in order to: (i) influence any official act or decision of such Official, or (ii) induce such Official to use his influence to affect or influence any act or decision of any government (or any subdivision thereof), or (iii) assist the Parties in obtaining or retaining business, or in directing business to any person or obtain an unfair advantage for the Parties in any respect.

Should either Party violate any of the Laws then: (i) non-violating Party shall have the right to immediately terminate this Agreement for cause; (ii) the non-violating Party shall have a right of action against the violating Party for the recovery of any monetary payment(s) or thing(s) of value made or given by that Party in breach of such Laws; and (iii) the violating Party shall indemnify the other Party for any penalty, loss or expenses incurred by the non-violating Party as a result of the violating Party's breach of any of its obligations under this Article.

### **15.0 PUBLICITY AND DISCLOSURE**

Both Parties agree that they shall not disclose information concerning work under this Agreement to any third party, unless such disclosure is necessary for the performance of the Agreement. No news releases, public announcement, denial or confirmation of any part of the subject matter of this Agreement or any phase of any program hereunder shall be made without prior written consent of the other Party.

The restrictions of this paragraph shall continue in effect upon completion or termination of this Agreement for such period of time as may be mutually agreed upon in writing by the parties. In the absence of a written established period, no disclosure is authorized. Failure to comply with the provisions of this Clause may be cause for termination of this Agreement.

## **16.0 EMPLOYEE RELATIONS/RELATIONSHIP OF THE PARTIES**

SAIC-F shall also comply with all applicable wage laws and statutory dues of any nature. This Agreement shall not constitute, create, give effect to, or otherwise imply a joint venture, partnership, or business organization of any kind. SAIC-F and REQUESTOR are independent parties, and neither shall act as an agent for or partner of the other for any purpose. Nothing in this Agreement shall grant to either party any right to make any commitments of any kind for or on behalf of the other party without the prior written consent of the other party. SAIC-F shall not be restricted from performing services for others and shall not be bound to REQUESTOR except as provided under this Agreement.

## **17.0 NON-WAIVER OF RIGHTS**

The failure of either Party to insist upon strict performance of any of the terms and conditions in this Agreement or to exercise any rights or remedies, shall not be construed as a waiver of its rights to assert any of same or to rely on any such terms or conditions at any time thereafter.

## **18.0 REMEDIES**

Any rights and remedies specified under this Agreement shall be cumulative, non-exclusive and in addition to any other rights and remedies available at law or equity.
